About CONMED Corporation

CONMED is a medical technology company that provides surgical devices and equipment for minimally invasive procedures. The Company’s products are used by surgeons and physicians in a variety of specialties, including orthopedics, general surgery, gynecology, neurosurgery, thoracic surgery, and gastroenterology. For more information, visit www.conmed.com.

Forward-Looking Statements

This press release may contain forward-looking statements based on certain assumptions and contingencies that involve risks and uncertainties, which could cause actual results, performance, or trends to differ materially from those expressed in the forward-looking statements herein or in previous disclosures. For example, in addition to general industry and economic conditions, factors that could cause actual results to differ materially from those in the forward-looking statements may include, but are not limited to, the risk factors discussed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 and listed under the heading *Forward-Looking Statements* in the Company’s most recently filed Form 10-Q. Any and all forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and relate to the Company’s performance on a going-forward basis. The Company believes that all forward-looking statements made by it have a reasonable basis, but there can be no assurance that management’s expectations, beliefs or projections as expressed in the forward-looking statements will actually occur or prove to be correct.
