Forward-Looking Statements

This press release may contain forward-looking statements based on certain assumptions and contingencies that involve risks and uncertainties, which could cause actual results, performance, or trends to differ materially from those expressed in the forward-looking statements herein or in previous disclosures. For example, in addition to general industry and economic conditions, factors that could cause actual results to differ materially from those in the forward-looking statements may include, but are not limited to, the risks posed to the Company's business, financial condition, and results of operations by the COVID-19 global pandemic and the various government and other responses to the pandemic, including deferral of surgeries, reductions in hospital and ambulatory surgery center operating volumes, disruption to potential supply chain reliability, as well as the risk factors discussed in the Company's Annual Report on Form 10-K for the full year ended December 31, 2022 and listed under the heading Forward-Looking Statements in the Company's most recently filed Form 10-Q. Any and all forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and relate to the Company's performance on a going-forward basis. The Company believes that all forward-looking statements made by it have a reasonable basis, but there can be no assurance that management's expectations, beliefs or projections as expressed in the forward-looking statements will actually occur or prove to be correct.
