About CONMED Corporation

CONMED is a medical technology company that provides surgical devices and equipment for minimally invasive procedures. The Company's products are used by surgeons and physicians in a variety of specialties, including orthopedics, general surgery, gynecology, neurosurgery and gastroenterology. The Company distributes its products worldwide from several manufacturing locations. CONMED has a direct selling presence in 16 countries outside the United States, and international sales constitute over 50% of the Company's total sales. Headquartered in Utica, New York, the Company employs 3,400 people. For more information, visit www.conmed.com.

Forward Looking Information

This press release contains forward-looking statements based on certain assumptions and contingencies that involve risks and uncertainties. The forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and relate to the Company's performance on a going-forward basis. The forward-looking statements in this press release involve risks and uncertainties which could cause actual results, performance or trends, to differ materially from those expressed in the forward-looking statements herein or in previous disclosures. In addition to general industry and economic conditions, factors that could cause actual results to differ materially from those discussed in the forward-looking statements in this press release include, but are not limited to the risks relating to forward-looking statements discussed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014.
